

THE
**BIOCHEMICAL
SOCIETY**
AWARDS 2023

NOMINATIONS
OPEN FOR
**THE BIOCHEMICAL
SOCIETY AWARDS 2023**

This is your chance to nominate an individual or team who deserves recognition for their work.

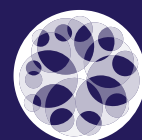

The Biochemical Society Awards recognize early career researchers, scientists, educators and industry partners across **11** categories.

We encourage nominations that reflect the diversity of the bioscience community.

Nominations can be submitted by and for both members and non-members.

DEADLINE 31 JANUARY 2022
